

January 6, 2021

Dear church family and HYACKS community,

I'm writing to let you know that at last night's council meeting **the elders approved me to be College Church's next church planting pastor and confirmed their support for this new work of the gospel.** Lord willing, my family and I will be relocating to the south metro Atlanta area in early June to begin pursuing what we believe is the work the Lord has been preparing us to do for some years. More details of God's good and providential hand will be shared in the days and weeks ahead with the whole church, but last night's vote was a sweet confirmation of all the Lord has done up until now and we are excited to serve Him in this calling.

Christine and I came to the College Church family almost five years ago and the story of the Lord's work in our lives during this time is inextricably linked to the many sweet relationships we have with you all. I love this church family. And Christine and I have felt so loved by so many as well. How good is our God that He allows us to share in ministry and fellowship with His people? Even as I type, so many faces and names are coming to mind, people we did not know five years ago, but who have now become so precious to our lives and our journey of faith with one another. What more can be said except we love you and appreciate you all so very much.

Our hope is to finish well and make this next semester a wonderful time of growth in Christ and fun memories with you all and then be sent in early June with your love and the assurance of your prayers. The gospel of glorious grace compels us ever forward, to know Christ and to make Him known. He is our joy and peace, our Savior and friend. And you are all our special family, visual and living proof to the grace of God and the work of His Spirit among us. It has been our joy to serve Him with you all.

Feel free to reach out if you'd like to talk further. We would love to do that and hope to do so with many of you in the months ahead.

With love in Christ,

Zach & Christine Fallon
