

# LEADERS NOTES FOR SEPTEMBER 16, 2020

Each week by the Tuesday before Bible study you will receive e-notes intended to help you with the weekly details and updates. These notes are divided into two sections for the Fall Semester:

- LEADERS NOTES which is information to clarify or provide details for WBS leadership.
- SMALL GROUP NOTES which are announcements you should pass along to your group.

## LEADERS NOTES

The **Leaders Meetings** begin on 9/21 on **Zoom** from 4:30-5:15 on Mondays. All leaders, both morning and evening will attend this meeting. You will receive a **Zoom invite every Monday morning** and the session will be recorded for any who are unable to attend. Morning In Person leaders will meet in Commons Hall from 9:00 to 9:12 each Wednesday morning for prayer and announcements.

For **IN PERSON** groups: Since **parking** is at a premium, you can help young mothers and older women by parking on the street, Chase lot (Wesley & Scott) or west lot of the Billy Graham Center.

For **IN PERSON** groups: In order to avoid congestion and therefore ensure social distancing we will be dismissing small groups one at a time.

Each week your small group will **dismiss** for large group session which is at 10:15. Our intention is to knock on your door first as a **'5 minutes remaining warning'**. The second knock will mean that your group is being dismissed to walk to the sanctuary for large group. The details of this are still being worked on. You will receive final information on this tomorrow morning.

For **IN PERSON** groups: If you have time on this first Wednesday, pass your rosters around to have each participant check the information for accuracy. Otherwise, that can be done next week.

If anyone comes to your group and is not on your roster, please have them stop by the Administration Table outside the sanctuary at the break. This year, there should not be anyone attending who has not registered because of strict capacity guidelines.

For **ZOOM** groups: Please email the roster to your women to check for accuracy.

If you have any changes to your roster in the coming week(s), please email them to Carol at [Christmascarol9@aol.com](mailto:Christmascarol9@aol.com).

For **IN PERSON** groups: Orange Attendance cards should be *dropped off* at the *Administration Table outside the sanctuary* at the break (10:15ish).

For **ZOOM** groups: You will receive an email from Brenda Bodett each Wednesday, asking for your attendance count. Each group has received one attendance card. It was in one of your group leader's folders on Saturday at the Leader's Workshop.
