

2021 Corporate Sponsorship Form

Come be a part of a 5K that **makes a difference**. Runners from literally all over the world will be running for STARS from now through June 19th.

STARS Disability Ministries is part of College Church in Wheaton, reaching out to families who have a child with a developmental disability. Race proceeds help:

- Send STARS families to **Joni and Friends Family Camp** that refreshes and encourages our families. The camp provides a 1:1 buddy for the STAR, and parents meet in men's and women's small groups to study God's Word and pray for each other. Joni and Friends offers both spiritual refreshment and respite time.
- Cover cost of the **STARS Fall Retreat**, a weekend get-away for our STARS to study God's word, engage in longer and deeper spiritual conversations as well as a lot of good times together. During this time, parents have a great weekend break from 24/7 caregiving.
- Provide income for **job coaches** for the STARS who work at STARS Resale Shop and Twice is Nice. Both stores have supportive Christian environments where STARS gain basic job skills and feel connected to the broader community.
- Younger STARS participate in their first overnight camp experience at **Springhill Camp** in Michigan. This Christian camp includes STARS with their peers, and the STARS return home encouraged in their faith and stretched with increased independence.
- Adult STARS attend summer overnight camps. Our STARS love these camps, and while life can be logistically more difficult for our STARS, these camps make it possible for them to enjoy traditional camp activities such as canoeing and horseback riding. Christian staff members also make time to pray and support families.
- STARS under 18 can attend **Jill's Weekend Adventure**. This give the STARS a wonderful time with a buddy, while parents have a break for the weekend.
