

**RUN FOR
THE STARS**
MARCH 1-JUNE 19 5k
2021 VIRTUAL RACE

March 2021

Can you believe this is the 18th year of Run for the STARS! Last year, for the first time ever, the Run for the STARS 5K Race and Fitness Walk went virtual. A first for us. While we weren't sure about the outcome, we were so blessed by the consistent support and participation of both corporate sponsors and runners. Last year we raised over \$39K and had 373 runners and walkers covering twelve States and three continents! Thank you for your partnership, sacrifice and commitment to the STARS Ministry.

Your support and generosity provides assistance to STARS and their families in the following ways:

1. Provided STARS Family Services, a partner organization, with a grant of \$20,000 to fund job coaches to support STARS partners who work in STARS Resale and Twice is Nice shops.
2. Even though camp and retreat scholarships were limited last year due to Covid-19 restrictions, this summer and fall are opening up, and we look forward to more of the STARS and their families attending camps and retreats in the coming months.
3. The purchase of equipment that helps include remote learners for our Sunday morning classes and music classes. This includes cameras, tripods, cables and a television.

Because we don't know what social gathering restrictions will look like in June, we've decided to hold this year's Run for the STARS virtually again. We look forward to the time when we can gather again, face to face with the STARS, running/walking through the streets of Wheaton, celebrating together as community.

Please consider partnering with us again this year. Our goal is to raise over 50K and have over 500 participants. Levels of sponsorship and instructions on how to partner with us are included. Look forward to serving alongside each of you in 2021.
